TUESDAY EVE., JULY 29, 1884

Address of Executive Committee.

At a meeting of the Executive Committee of the Mason County Democracy on July 28, 1884, it was made plain to the committee that the Republicans of the First Appellate District were using every means in their power to compass the defeat of the Hon. Robert Riddell, Democratic candidate for Appellate Judge. The committee resolved at once that each of them would devote his entire time, until the evening of the election, in an earnest effort to arouse the Democracy of Mason County to a sense of their duty and to the urgent necessity of polling every vote on Monday next for Robert Riddell. The committee urge upon all Democrates that they go to work and bring out the entire vote. Our representation in the Congressional Convervention, and in conventions for a number of years, will depend upon the vote we cast for Appellate Judge. Six years ago Mason County was the banner county of Eastern Kentucky and had sixteen delegates, four years ago, when Gov. Knott ran, so indifferent were her voters that her representative strength left to the delegates, and two years ago, when Gov. Knott ran, so indifferent were her voters that her representative strength fell to the delegates, and they say instead of being the leading and most influential county in the State, she has had but little weight and taken a second rate place, and if the Democraty in order to secure a full vote. Judge Riddell cannot be elected if the strong Democratic Counties of Mason, Bracken, Nicholas, Bourhon and Clark, fall to give him handsome lanjorities. The election of Holt would, be herakled far and wide as a Blaine victory, and our Congressional District would be hopelessly Republican. To avert these evils every Democrat who has any patriotism, or pride in his district or State, shou'd devote his entire time from now until the day of the election in an earnest and the devent of a care of the county be not corny and county be not control the county be not control that the county be not control that the county be not control

Let Mason County Democrats redeem themselves and give to their county her former commanding position in the district. Let those Democrats who worked so hard to secure the nomination of Judge Riddell now put their shoulders to the wheel and see that he is triumphantly elected. Let there be no largards. Let every man feel that the success of his party depends on his individual vote. Remember that on Monday next you cleet a Judge of the Appelhate Court, see that Riddell is the man.

Remember to vote for J. Quincy Ward, for Judge of the Superior Court, Do not forget that your faithful and efficient Deputy Sheeff, Dan Perrine, is to be elected High Sherill, and be sure to vote for L. W. Gelbraith, Esq., if you desire to have your Common Schools ably and properly manaced. Remember the day, Monday, August 4th, 184.

A PRIVATE letter received by one of our citizens from Rev. E. V. Zollars, who was interested in the establishment of a school in this city, says that the people school in this city, says that the people of Jancaster, Ky, have ralsed the money to build and equip an academy at that place, and that he has been placed in charge of it. The structure will cost from \$18,000 to \$20,000 and will probably soon be enlarged, bringing the cost up to about \$30,000. The money was raised on the plan that was proposed for the school in this city. Proffessor Zollars thinks the school will open with a local patronage of at least 100 pupils.
